The Polish National Agency for Academic Exchange has a pleasure to inform you that in the academic year 2021/22 – as it was the case in previous years – the realisation of the agreements and the bilateral exchanges - the international bilateral cooperation between Poland and Slovenia in the field of higher education included – will be conducted on the Polish side within the "Exchange Programme for students and scientists as part of the bilateral cooperation - offer for incoming students and scientists". We have a pleasure to inform that the Director of the Polish National Agency for Academic Exchange has set a number of :

- 3 places for semester studies (max 30 months)
- 16 months for students and researchers

in the academic year 2021/22.

Please find attached:

1. "Regulations" of the Programme and its translation into English (in case of discrepancies, the Polish version will prevail)
2. Application form for candidates for the academic year 2021/22.

The scholarship rates are the following:

- 1250 PLN per month for first cycle students
- 1500 PLN per month for second cycle students
- 2200 PLN per month for doctoral students and trainees with MA degree
- 3000 PLN per month for doctors

WYMIANY AKADEMICKIEJ

Please submit the applications of the nominated Slovenian candidates on the above-mentioned application form, in two copies, together with specified attachments. Alternatively, they can be forwarded in an electronic form, as clear scans of the documents, in colour. Documents should be prepared in Polish or English. In case they are issued in another language, a certified translation will be necessary. An editable version of the application form will be sent by e-mail.

In the same time we encourage you to acquaint yourself with the scholarship offer of the Polish National Agency of the Academic Exchange, published on our webpage www.nawa.gov.pl. In 2021 our offer will include programmes, allowing the cooperation between Polish and Slovenian universities as well as individual mobility of students and researchers.

We hope that NAWA activities will contribute to even more dynamic international cooperation in the field of academic exchange and common research projects. In case of any questions we remain at your disposal.

Yours faithfully,
