LONG-TERM ACTIVITY INFO

Title: Inclusion for newcomers

Coordinator: RO01 - Agentia Nationala pentru Programe Comunitare in Domeniul Educatiei si Formarii Profesionale Priority: Inclusion and Diversity (2021-27)

Subtopic: newcomers Sector: SE VET AE

Country: Czech Republic | Greece | Italy | Romania | Serbia Working language: English

Start date: 01.2022 End date: 12.2024

Rationale and background: In 2021, EC launched the cross-sectoral Strategy for Inclusion and Diversity, based on the Implementation guidelines Erasmus+ and European Solidarity Corps Inclusion and Diversity Strategy. In this context, each NA created its own national strategy or action plan, adapted to its own national realities. Starting from this, RO NA proposes the LTA addressing inclusion for newcomers from E&T sectors (SE, VET, AE). The very first series of events will focus on preparing the participants to be able to develop qualitative small-scale partnerships (KA2) projects, addressing newcomers and small and less experienced organizations addressing inclusion and/or working with vulnerable target groups. In this line, for each event we expect to have on board participants with none or minimum developed project management skills in order to go through the process of project cycle management and as well to understand and internalize the inclusiveness of their future Erasmus+ project. In most cases, each of NA could use TCA - both regular activities and LTAs- as main tool to foster inclusion at national level, in an international context. The next phases will also tackle Short-term projects for mobilities.

Challenges: Different national realities within LTA partners.

Planned Activities: 2022 May - August National mapping of newcomers or less experienced organizations
Promotion of general aspects about Erasmus+ and the 2 KAs managed by NAs
Promotion of international event to be hosted by RO NA
September 2022 International TC with contact seminar elements on writing small-scale partnerships
3 online support coach and mentoring sessions prior October's deadline.
2023 and 2024 similar TCs for Short-term projects for

mobilities and small-scale partnerships.

Expected results:

Promotion of Erasmus+ programme as a tool for inclusion among E&T organizations; Increased quality of future projects coming from small organization with no experience in Erasmus+; Providing the space and context for networking between participants to share ideas and inclusive approaches, to find answers and solutions to the same needs, to find partners for future initiatives and projects.
