ONLY
CONSTANT**

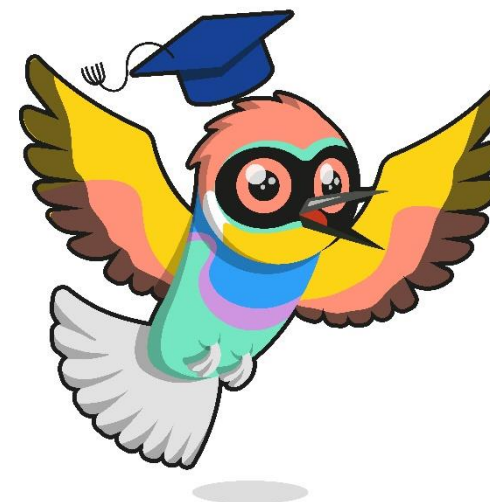

OLS ni več OLS ampak je OLS 😊

Kar najbolje izkoristite
pridobljene izkušnje
v okviru programa
Erasmus+!

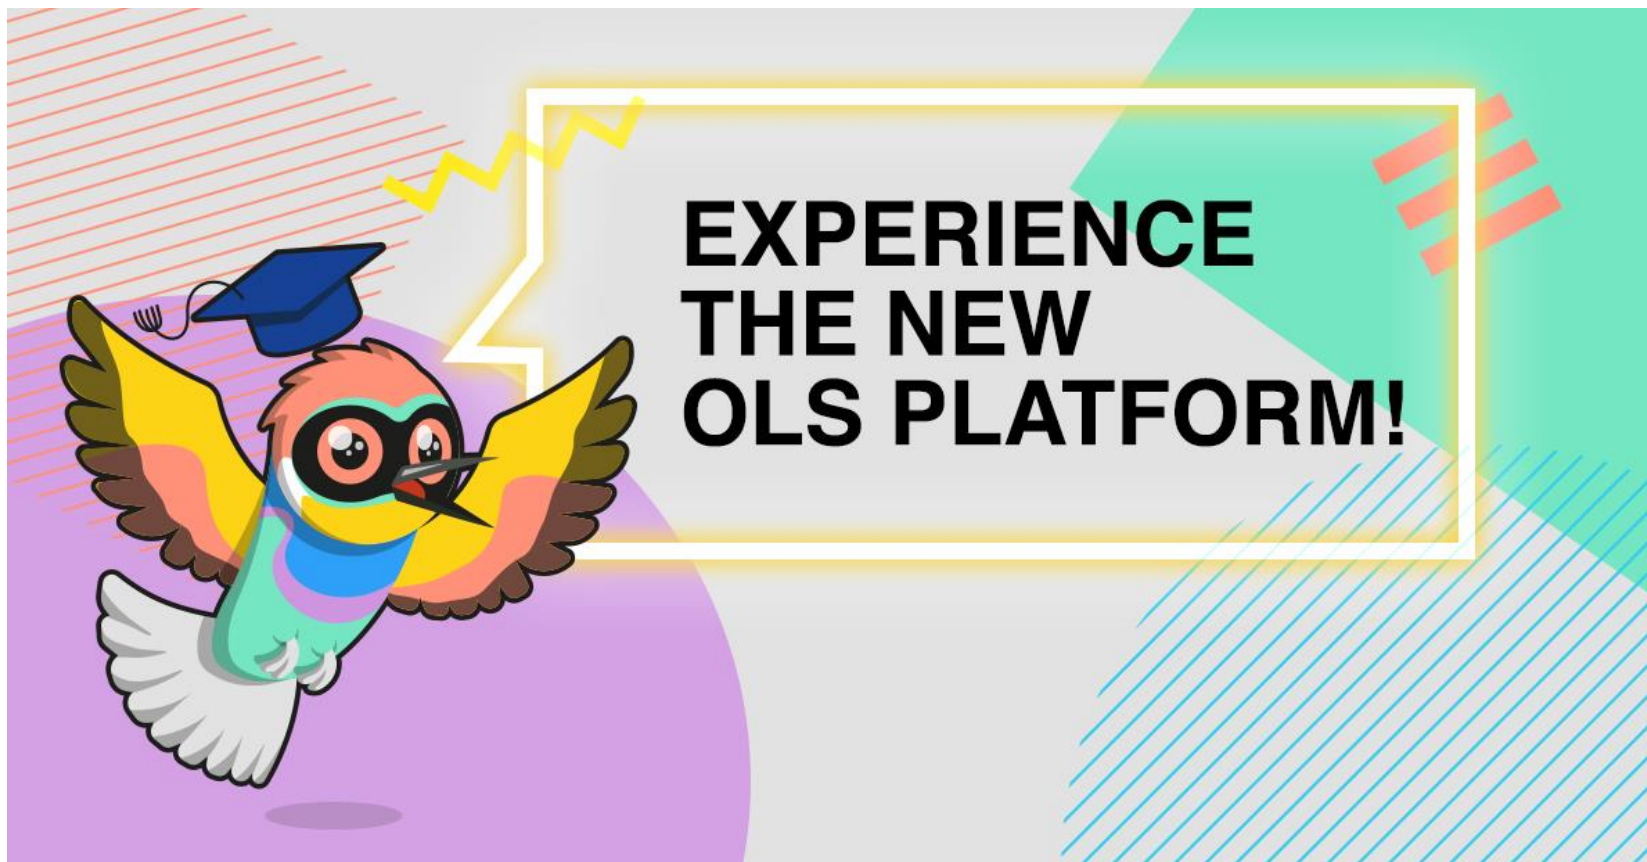

OLS

 ONLINE LINGUISTIC
SUPPORT / Erasmus+

EU ACADEMY PLATFORMA

Zakaj sploh OLS?

- Spletna jezikovna podpora - OLS omogoča dostop do enostavnega in prožnega učenja.
- Jeziki so bistvo medsebojnega razumevanja in dojetanja, zato je treba med udeleženci mobilnosti v okviru programa Erasmus+ spodbujati učenje jezikov.
- Slabo znanje jezikov je med glavnimi ovirami za sodelovanje v mobilnosti na področju izobraževanja in usposabljanja mladih.
- Prispeva tudi k doseganju posebnega cilja programa Erasmus+: spodbujanje učenja jezikov in jezikovne raznolikosti.
 - Udeleženec mobilnosti ima priložnost oceniti in izboljšati svoje veščine v tujem jeziku, ki ga bo uporabljal za študij, delo ali prostovoljstvo v tujini, pa tudi v lokalnem jeziku/lokalnih jezikih.

Komu je namenjen OLS?

Spletna jezikovna podpora je trenutno na voljo vsem udeležencem in udeleženkam z naslednjih področij Erasmus+ in evropske solidarnostne enote:

- visokošolsko izobraževanje
- evropska solidarnostna enota
- poklicno izobraževanje in usposabljanje
- izobraževanje odraslih (vključno z osebjem z vseh področij izobraževanja in usposabljanja ter mladine)
- šole
- mladi

Kako deluje?

- Udeleženci in udeleženke programa Erasmus+ in evropske solidarnostne enote lahko na portalu spletne jezikovne podpore **opravijo preskus znanja jezika**, ki ga bodo potrebovali pri študiju, delu ali prostovoljstvu, ter lahko dostopajo do njim prilagojenega učenja jezikov.
- Udeleženci in udeleženke lahko **izboljšajo svoje znanje jezika s spletnimi jezikovnimi tečaji** še pred odhodom in med bivanjem v tujini. Dostop do jezikovnega tečaja vključuje najrazličnejše interaktivne dejavnosti in dejavnosti po meri. Udeleženci in udeleženke se lahko v okviru spletne jezikovne podpore udeležijo jezikovnih tečajev v katerem koli razpoložljivem jeziku, brez omejitev števila jezikov in študijskih enot.
- Če med jeziki spletne jezikovne podpore ni glavnega jezika, bo organizacija pošiljateljica ali organizacija gostiteljica zagotovila drugačno jezikovno podporo. Po vrnitvi domov udeleženci in udeleženke **opravijo končni jezikovni preskus**, s katerim preverijo svoj napredek med bivanjem v tujini.

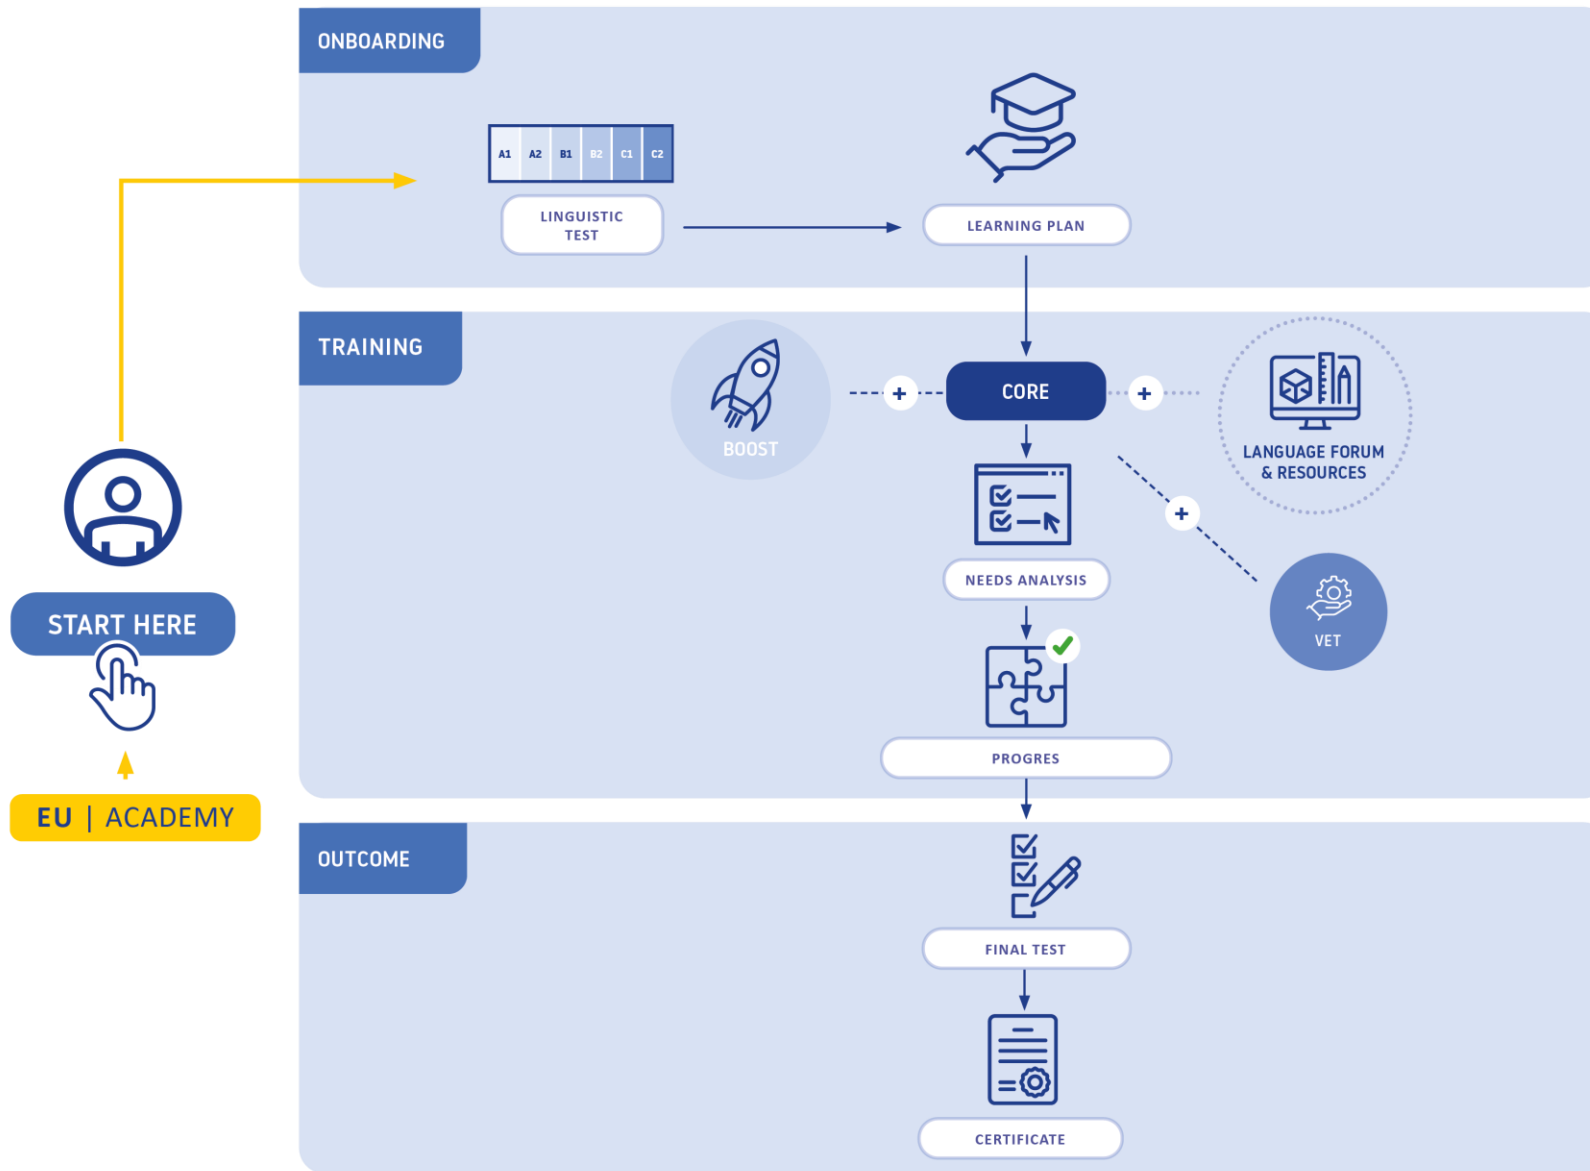

Tehnične informacije OLS

Stara OLS platforma ni več funkcionalna in ne obstaja več.

- **Novi OLS gostuje na platformi EU Academy:**
<https://academy.europa.eu/local/euacademy/pages/course/community-overview.php?title=learn-a-new-language>

Največje novosti:

- Ni več t.i. **licenc**, dostop je mogoč preko EU Login računa – individualno.
- Novi OLS je na voljo za vse udeležence Erasmus+ mobilnosti (torej tudi SE in AE)
- Za VET pogodbenike uporaba OLS **ni več pogodbeno obvezna**
- Za HE pogodbenike je uporaba še vedno obvezna:
 - Preverjanje znanja jezika programa mobilnosti pred odhodom je obvezno za visokošolske študente in študentke, ki se udeležujejo vsaj 14-dnevni programov mobilnosti, saj morajo obvladati jezik na ravni, ki jo zahteva ustanova gostiteljica (razen za domače govorce in v ustrezno utemeljenih primerih) (za dodatne informacije se obrnite na vašega skrbnika)

Community description

This is where your language learning journey begins with the Online Language Support (OLS). To get started, click on the yellow button to the right and select the language you want to learn on the next page. Choose any of the available languages in order to improve your linguistic skills.

Target audience

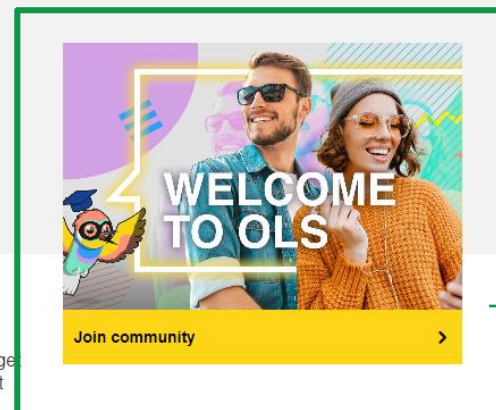

Erasmus+ and European Solidarity Corps participants

Objectives

Embark on your online language learning journey with OLS!

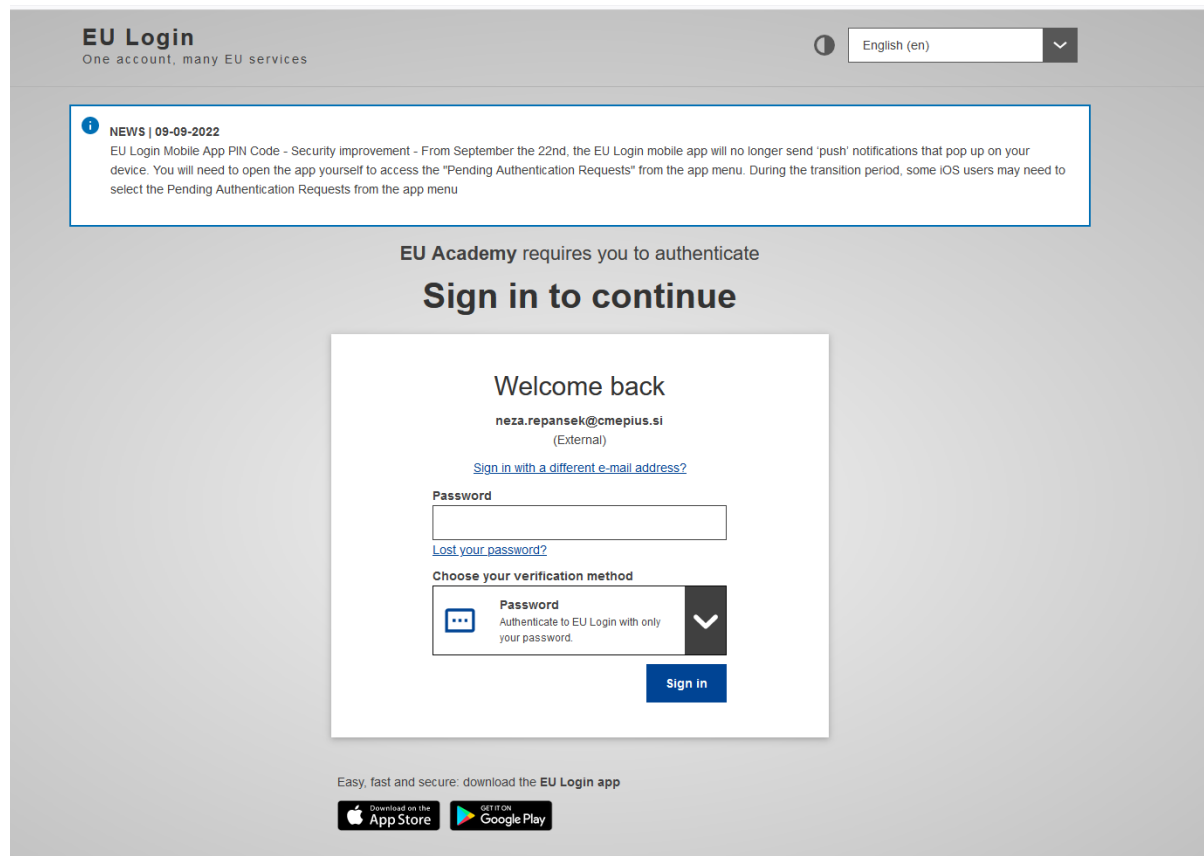

Offered by

This content is offered by the European Commission. The European Commission is the European Union's politically independent executive arm. It is alone responsible for drawing up proposals for new European legislation, and it implements the decisions of the European Parliament and the Council of the European Union.

Ni licenc, dostop preko EU Login računa – individualno.

Se vpišete z EU login računom

The screenshot shows the EU Login interface. At the top left, it says "EU Login" with the tagline "One account, many EU services". On the top right, there is a language selector set to "English (en)". Below this is a news banner dated "09-09-2022" with the title "NEWS | 09-09-2022" and the text: "EU Login Mobile App PIN Code - Security improvement - From September the 22nd, the EU Login mobile app will no longer send 'push' notifications that pop up on your device. You will need to open the app yourself to access the 'Pending Authentication Requests' from the app menu. During the transition period, some iOS users may need to select the Pending Authentication Requests from the app menu".

The main heading is "EU Academy requires you to authenticate" followed by "Sign in to continue". The central sign-in card displays "Welcome back" and the email "neza.repansek@cmeplus.si (External)". It includes a link "Sign in with a different e-mail address?", a "Password" input field, and a "Lost your password?" link. Below the password field is a "Choose your verification method" section with a "Password" option selected, which includes the text "Authenticate to EU Login with only your password." and a "Sign in" button.

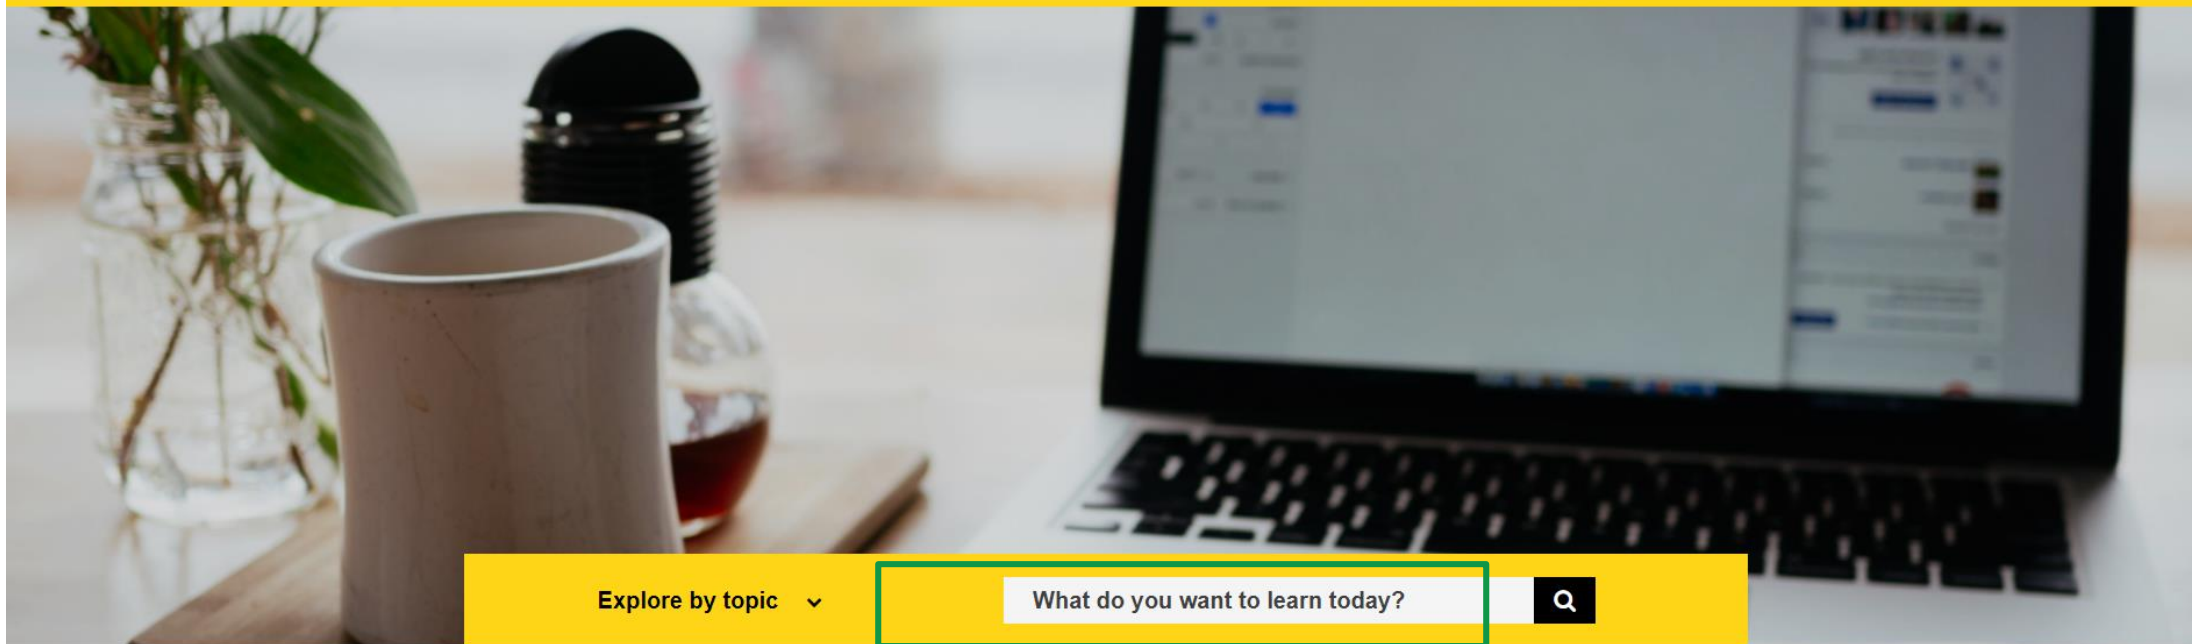

At the bottom of the sign-in card, it says "Easy, fast and secure: download the EU Login app" with buttons for "Download on the App Store" and "GET IT ON Google Play".

Kako integrirati OLS v priprave na mobilnost?

**Jezikovna priprava je
samo en del
elementov
kakovostne priprave
na mobilnost**

Za jezikovno pripravo samo OLS ni dovolj!

Potrebna je celostna jezikovna priprava:

- Če dijaki ne govorijo jezika izbrane države gostiteljice, bodo verjetno uporabljali angleščino za komuniciranje na delovnem mestu in v vsakodnevnem življenju. Pomembno je, da se v pripravah še posebno osredotočijo na jezik stroke, ki bo imel ključno vlogo pri razumevanju nalog in zahtev na delovnem mestu.
- Pri načrtovanju priprave povabite k sodelovanju učitelje tujih jezikov na svoji šoli, ki bodo dijakom posredovali ustrezne informacije o gradivih in virih za učenje jezika stroke in o času, potrebnem za ustrezno pripravo, še posebno, če dobro poznajo organizacije gostiteljice in glavne naloge, ki čakajo udeležence.

»Jezikovno pripravo z jezikom države gostiteljice smo na naši šoli izvajali z učitelji z znanjem jezika in učitelji, ki so imeli izkušnje z bivanjem v državi gostiteljici. Dijaki so spoznali osnovno besedišče, kulturo in značilnosti države gostiteljice. Skozi posnetke, pripovedi preteklih udeležencev in ob podpori partnerske institucije z navodili in e-vodniki, smo dijakom predstavili kako delovno okolje deluje, kakšen je delovni čas, kaj je pomembno pri opravljanju delovnih nalog, strokovno terminologijo in delovne navade. Dijake smo spodbujali k ustrezni samostojni jezikovni pripravi (z uporabo spletnih orodij) in istočasno izvajali kontrolo nad izvedenim skozi tedenska srečanja in razpravo o težavah, s katerimi se spopadajo ter novostmi, ki so jih spoznali na področju kulture, geografije in zgodovine države so pripravili predstavitve, tako v državi gostiteljici, kot tudi doma.«
