Projekt Math in motion

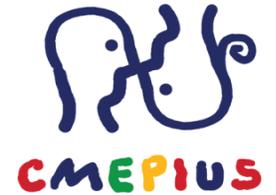

logotip

mag. Maja Bregar

Projekt Math in motion

Cilji:

- Spodbuditi učenje matematike prek gibanja in spoznavanja tujih držav.
- Medpredmetno povezovanje: matematika, glasbena umetnost, šport.
- Sodelovalno učenje.

Trajanje: oktober – maj

Pred in med izvajanjem projekta:

- 1. Seznanitev staršev – pridobitev soglasij za sodelovanje učenca v projektu, objavo fotografij, posnetkov, dokumentov.**
- 2. Varnost na spletu.**

MATEMATIKA
Učni načrt

1. razred: 140 ur
2. razred: 140 ur
3. razred: 175 ur

Predstavitev države, učencev in šole

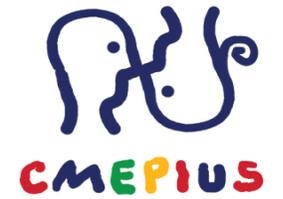

Sklop: orientacija

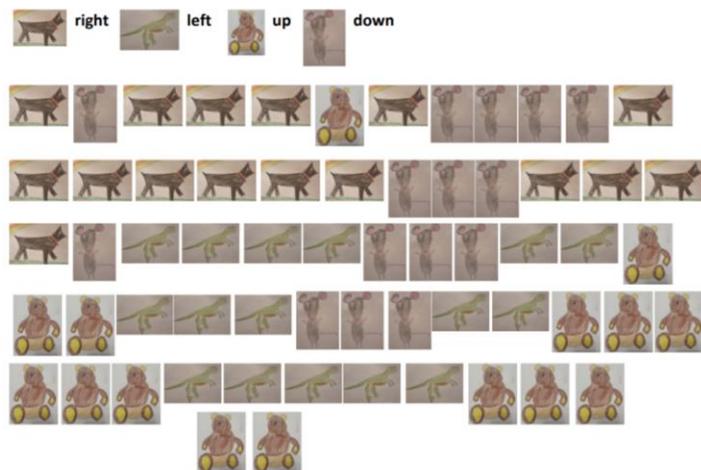

Priprava labirinta za partnerje.

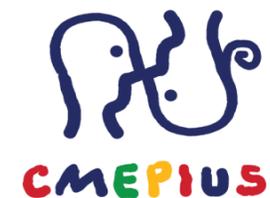

Izdelava labirinta v večjem formatu in reševanje.

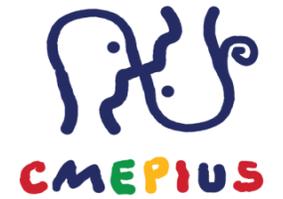

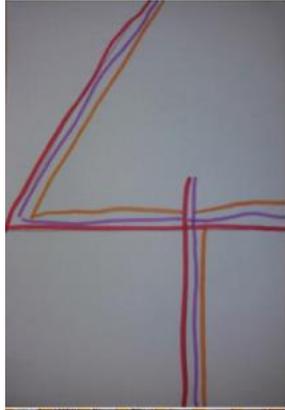

Zakodirana slika.

Dekodiranje slike partnerjev.

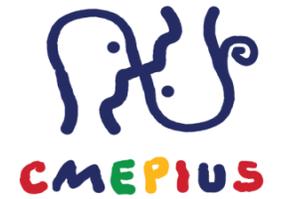

Številke in gibanje

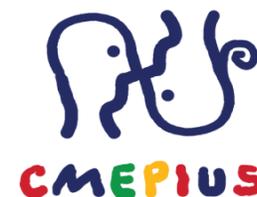

Učenje števil od 1 do 10 s premikanjem.

1. Karte od 1 do 10 - številka in opis poteze.
2. Filmček s temi potezami kot kodo za naše partnerje.
3. Ob izbrani glasbi partnerjev zaplešemo na gibe s kartic.

Zapis plesa v številkah – plesanje

Geometrija

1. Ustvarjanje kartic z geometrijskimi liki.
2. Pripraviti naloge za partnerja z geometrijskimi liki.
3. Igra GeoMotion.

1. From Poland to Slovenia:

1. Create **a flower** by using : 3 triangles, 2 rectangles, 1 circle and 5 squares.
2. Create **a dog** by using: 3 circles, 4 rectangles, 4 squares and 3 triangles.
3. Create **a car** by using: 4 circles, 3 rectangles, 2 squares and 3 triangles.

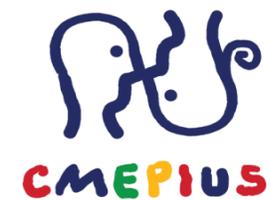

Spletno srečanje

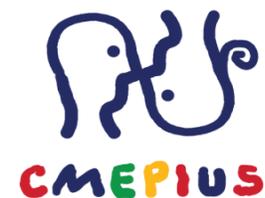

Multi igra, ki vključuje orientacijo, števila in like.

Then, Slovenian pupils have written some extra tasks to make the game interesting.

England and Slovenia

During our Skype with Slovenia, Father Christmas arrived to wish the English children Happy Christmas. When he saw that we were skyping, he had a careful look....and he recognised the children in Slovenia! He said he remembers delivering presents there last Christmas! He wished our Slovenian friends 'Vesel bozic'. What a lovely surprise for all of us!

Da Codogno alla Finlandia docenti sulle vie dell'Erasmus

Il comprensivo, dopo la pandemia ha ripreso gli scambi con l'estero

CODOGNO

Dopo due anni di stop, l'attività scolastica comprensivo di Codogno ha ripreso il progetto Erasmus "K42 Outstanding Inclusion and Cultural Heritage". La pandemia aveva fermato le tracce all'estero ma non l'entusiasmo. E ora gli insegnanti hanno ripreso in mano la situazione. «Le attività online non si erano mai fermate con gli alunni e tra i parenti, ma ovviamente tutto il resto era stato congelato», spiega l'insegnante Laila Laita - il nuovo progetto Erasmus, il quarto del comprensivo di Codogno, iniziato a settembre del 2019 con la mobilità in Inghilterra. Abbiamo fatto una proposta per la seconda mobilità in Slovenia che, però, è stata purtroppo annullata. Dal dicembre sono stati ingiunti i genitori. «All'inizio del 2021 era iniziato il progetto e l'Erasmus si è prolungato». The first Zoom lesson had been cancelled, that was a video lesson in December. In the month of January and after 2000 students in the class, the new system is not the same. Everyone participated.

ERASMUS+ in eTWINNING PROJEKTI

Osnovna šola Cirila Kosmača Piran nadaljuje z Erasmus+ in eTwinning projekti

Besedilo: Mojka Mehora Lavrič, foto: arhiv OŠ Cirila

OŠ Cirila Kosmača tudi v letošnjem šolskem letu nadaljuje s tremi projekti Erasmus+ in več projekti eTwinning, v katere so vključeni učenci in učitelji matične ter podružnične šole. Projekti nudijo izmenjavo inovativnih praks in dvigajo nivo različnih kompetenc tako pri učencih kot pri strokovnih delavcih.

S partnerskimi šolami iz Velike Britanije, Italije in Finske že tretje leto sodelujemo v projektu Outstanding Inclusion and cultural heritage, v katerem posvečamo veliko pozornost inkuziji ter kulturni dediščini in njenemu ohranjanju. Učitelji vseh štirih partnerskih šol smo se februarja zbrali na gostiteljski šoli v zasneženem Kauhajokiju na Finskem, marca pa smo izvajali projektne

dejavnosti v Milano in Codogno v Italiji.

Trenutno se na šoli intenzivno pripravljamo na aprilsko srečanje strokovnih delavcev partnerskih šol, ki bo potekalo pri nas. Maja pa se

bomo udeležili še zaključne projektne mobilnosti - to bo organizirala šola Barton Hill Academy iz Torquaya v Veliki Britaniji, ki je od leta 2019 uspešno koordinirala projekta Erasmus+ in eTwinning.

Sprejem na osnovni šoli v Codogno, Italija.
