**Small-scale partnerships in vocational education and training (KA210-VET)**

Call 2024 | Round 1 | Cooperation among organisations and Institutions | Vocational Education and Training

**Small-scale partnerships in vocational education and training (KA210-VET)**

This action enables participating organisations to gain experience in international cooperation and to strengthen their capacities. Small-scale Partnerships are designed to widen access to the programme to small-scale actors and individuals who are hard to reach in the fields of school education, adult education, vocational education and training, education, youth and sport.

Submission deadline : 05-03-2024 12:00:00 (Brussels time)

Call 2024 | Round 1 | Cooperation among organisations and Institutions | Vocational Education and Training

**Cooperation partnerships in vocational education and training (KA220-VET)**

This action enables participating organisations to gain experience in international cooperation and to strengthen their capacities, but also to produce high-quality innovative deliverables. The primary goal of Cooperation Partnerships is to allow organisations to increase the quality and relevance of their activities, to develop and reinforce their networks of partners, to increase their capacity to operate jointly at transnational level, boosting internationalisation of their activities and through exchanging or developing new practices and methods as well as sharing and confronting ideas.

Submission deadline : 05-03-2024 12:00:00 (Brussels time)

Associated persons

Please complete this information about key persons in your organisation who will be implementing the project.

The legal representative is the person with authorisation to represent the organisation in legal agreements and contracts.

The Primary contact person is the first contact point for everything that has to do with implementation of project activities. You can also add other contact persons.

If needed, one person can have more than one role. For example, a legal representative can also be the primary contact person. However, you need to name at least two different persons to make sure it is always possible to contact the organisation even if one of them is not available.

Please note that information related to Associated Persons will automatically be transferred to your National Agency but is not available in PDF.

Activities (Work package n°2 - test2) ⓘ

In the following sections, you are asked to provide details about each activity of the work package.

You are asked to provide information about each planned activity as a whole (e.g. its venue, duration, estimated number of participants etc.), to define the activity's lead organisation, and optionally to list the other participating organisations. The lead organisation is typically the one organising the activity. The other participating organisations are all other project partners who will also take part in the particular activity. The estimated activity start and end dates can be changed during implementation.

Please specify each of the planned project activities in the table below

Project Summary

Please provide a short summary of your project. Please be aware that this section (or parts of it) may be used by the European Commission, Executive Agency or National Agencies in their publications. It will also feed the Erasmus+ Project Results Platform.

Be concise and clear and mention at least the following elements: context/background of project, objectives of your project, number and profile of participants, description of activities, methodology to be used in carrying out the project, a short description of the results and impact envisaged and finally the potential longer-term benefits. The summary will be publicly available in case your project is awarded.

In view of further publication on the Erasmus+ Project Results Platform, please also be aware that a comprehensive public summary of project results will be requested at report stage(s). Final payment provisions in the contract will be linked to the availability of such summary.

The Erasmus+ programme's implementation, and therefore, the programme beneficiaries and the activities implemented under the programme, have to respect the EU values of respect for human dignity, freedom, democracy, equality, the rule of law and respect for human rights, including the rights of persons belonging to minorities, in full compliance with the values and rights enshrined in the EU Treaties and in the EU Charter of Fundamental Rights.

Article 2 of the TEU: The Union is founded on the values of respect for human dignity, freedom, democracy, equality, the rule of law and respect for human rights, including the rights of persons belonging to minorities. These values are common to the Member States in a society in which pluralism, non-discrimination, tolerance, justice, solidarity and equality between women and men prevail.

Article 21 of the EU Charter of Fundamental Rights: 1. Any discrimination based on any ground such as sex, race, colour, ethnic or social origin, genetic features, language, religion or belief, political or any other opinion, membership of a national minority, property, birth, disability, age or sexual orientation shall be prohibited. 2. Within the scope of application of the Treaties and without prejudice to any of their specific provisions, any discrimination on grounds of nationality shall be prohibited.

**Subscribing to EU Values**

- I confirm that I, my organisation and the co-beneficiaries (where applicable) adhere to the EU values mentioned in Article 2 of the TEU and Article 21 of the EU Charter of Fundamental Rights
- I understand and agree that EU Values will be used as part of the criteria for evaluation of the activities implemented under this project
