TCA DESCRIPTION

Themes and goals: Main goals:• To understand the benefits of Adult Learner Mobility for participants and institutions. • To understand the general framework, steps and working strategies for the successful implementation of short-term, long-term and group Adult Learner Mobility. • To learn first-hand about experiences of good practice in the implementation of Adult Learner Mobility by Spanish schools and institutions from other Erasmus+ programme countries. • To encourage the creation of networks between institutions (newcomers and experienced ones) in different countries to promote information exchange, mutual assistance and to find new partners. • To know how to contact organisations with similar characteristics to ours in other countries in which our adult learners can maximise the benefits of their stay. • To foster newcomers and experienced institutions in Erasmus programme to apply for Adult Learner Mobility. • To foster the inclusion of Learners with fewer opportunities in our mobilities.

Expected results: Increased interest shown by the participants in planning and applying for Adult Learner Mobility
 New network of contacts established with a view to applying for and planning Adult Learner Mobility
 Shared experiences on optimal management of Adult Mobility
 Increased knowledge and expectations shown by the participants in working strategies to implement Adult Learner Mobility
 Increased number of applicants prioritizing inclusion in Adult Learner Mobility
