TCA DESCRIPTION

Themes and goals:	Peer-learning and exchange of practices Addressing common possibilities and challenges that coordinators of mobility have Networking of coordinators of mobility Preparation for future cooperation
Expected results:	The participants will have the possibility to exchange with other coordinators of mobility about their difficulties in their tasks and together they will try to find solutions. The participants should be better prepared to enter or continue their role as a coordinator. The participants are able to make contacts that will facilitate placement for job-shadowing/teaching assignment for staff and/or will facilitate pupils'/learners' mobility.
Additional information:	The TCA is a mix of training and contact seminar. Chosen participants are solely coordinators of KA120-SCH or KA120-VET and newly accredited (either 2023 or 2024). Each sending NA must make sure that the participant is indeed of this type.
Important notes:	1- NA staff sending participants are welcome to take part (max. 1 NA staff and a maximum of 4 in total). The NA staff will be given an active role in the TCA (examples of tasks: presentation, lead of a workshop, moderation of discussion, etc.). Digital meetings will be held prior to the event. NO01 will work first on designing the training/contact seminar and then will, in a collegial way, distribute the tasks to all the participating NA staff. Preferences will, of course, be discussed. 2- Exact location is still to be decided (as of November, 26th 2024) but the event will be held either in Bergen or in connection to Bergen (meaning the participants will arrive at Bergen Airport - BGO). Bus to the location will be at 15:00 from Bergen Airport (Tuesday 18th March); bus back to Bergen airport by 14:00 (Friday 21st March). 3- We expect to receive list of participants by sending NAs by February 1st.
