Dear Sir or Madam,

The Polish National Agency for Academic Exchange informs that – as in previous years - in the academic year 2025/2026, the realisation of the international bilateral cooperation in the field of higher education will be conducted on the Polish side within the „ZAWACKA NAWA Programme - incoming offer for the academic year 2025/2026”.

The announcement of the call for applications for participation in the program and its translation into English (in case of discrepancies, the Polish version shall prevail) will be published in March 2025 on the NAWA website: <https://nawa.gov.pl/wspolpraca-i-wymiana-miedzynarodowa/zawacka-nawa/przyjazdy/edycja-2025>

Please submit the list of selected candidates of Slovenia to NAWA by 30 April, 2025. Please note, that the further application process will take place in the NAWA’s ICT system. Selected candidates will be asked to register in the ICT system and attach scans of the required documents to the system. Detailed instructions for registration will be provided at a later stage.

We are pleased to inform, that in the current recruitment within the framework of cooperation, the limit for citizens of Slovenia has been set:

- 3 places for one-year or semester studies, especially for students of Polish or Slovenian studies (max 30 months);
- 16 months for students and researchers for research internships (length of individual stay from 1 to 9 months).

The Polish side grants scholarship holders funds (NAWA Director’s scholarship) in the amount specified in the Announcement of the call for proposals.

The Polish side grants scholarship holders the right to undertake and complete studies, with exemption from fees for education at public universities supervised by the Minister of Science and Higher Education.

At the same time, we encourage you to get acquainted with the scholarship offer of the Polish National Agency for Academic Exchange. It is published on our website:
