TCA DESCRIPTION

Themes and goals: An online event organized for kindergarten and primary school teachers (age group of learners: 5 – 11 years) who participate in KA1 Erasmus+ projects, in school education. The aim is to discuss their projects (either ongoing ones or projects which are about to start) and find suitable partners and hosting schools for their activities.

Expected results: We expect that the online event will result in participants finding partners for their KA1 Erasmus+ projects in school education sector either for online cooperation or as hosting schools for their mobility activities. We expect that the participants find a suitable match according to the project goals, learning aims, topics and types of mobility activities, so that it helps with a successful accomplishment of their project.
