TCA DESCRIPTION

Themes and goals:	This activity is linked to the LTA „Long term mobility of school pupils“ coordinated by the ES01 The event is co-organized with Spain, France, Germany and Malta Join us in Reykjavík for a two day contact seminar on long-term mobility of school pupils. This is the third contact seminar linked to the LTA "Long term mobility of school pupils". The aim of this TCA is to respond to the obstacles and needs expressed by schools in the previous contact seminars when organising long-term student mobility and to continue fostering interest in long-term mobility of pupils in newcomers. We intend to provide working strategies to manage long-term pupil mobility and to create a networking environment which facilitates finding partners for the next Erasmus+ call. Special interest will be paid to inclusion in long term pupil mobility. Finally, the TCA will seek to showcase good practices with the presence of schools with experience in long-term mobility. The TCA is only open to participants from the SE sector
