TCA DESCRIPTION

Themes and goals:	The activity aims to bring together accredited VET organisations from different Erasmus+ Programme countries and support them in developing new international partnerships. It will provide participants with opportunities to connect with other accredited VET organisations, exchange experiences and identify common areas of interest for future cooperation. The activity will encourage participants to expand their networks and explore possibilities for establishing sustainable partnerships within the framework of Erasmus+.
Expected results:	After participating in the activity, participants are expected to: establish new contacts with VET organisations from other programme countries; identify potential partners and common areas of interest for future cooperation; exchange experiences and practices with other accredited VET organisations; gain new perspectives on developing and maintaining international partnerships; expand their network for future Erasmus+ cooperation.
Additional information:	The activity is intended for representatives of VET organisations holding a valid Erasmus+ VET accreditation who are interested in developing new international partnerships and strengthening their existing European cooperation. Participants are expected to take an active role in the activity, engage with other participants and present their organisation and areas of interest where relevant. The working language of the activity will be English. Participants should have sufficient English language skills to participate actively in professional discussions and networking activities.
Important notes:	Further information regarding the programme, practical arrangements and participation will be provided to selected participants. Participants are expected to cover their travel expenses initially. Reimbursement will be made afterwards in accordance with the programme rules and applicable reimbursement rates by their Sending NA. Participants are expected to cover their travel expenses initially.
